Rolling with Hope

**FREE Screening mammography
provided by our mobile coach
and vision testing/eyeglasses from Lestonnac
Free Clinic**

Incredible advances are made every day in the early detection of breast cancer. Young or old, male, or female, and all ethnic and racial backgrounds – The Pink Journey Foundation wants to help you reduce your risk for breast cancer, survive breast cancer, and thrive after breast cancer.

*Funded by a grant from Hologic

Lestonnac Free Clinic will provide vision screening and eyeglasses. With new technology Lestonnac can make glasses in-house in 15 minutes! Patients can receive their exam and glasses the same day.

NO Health Insurance Required
